

The Minnesota Hosta Society was formed in 1991 to promote knowledge of, and interest in, the genus hosta. Each year we offer educational meetings and various activities for members as well as participate in community events within the Twin City area.

### **HOSTA DISPLAY GARDENS**

To see more hosta, we encourage you to visit:

The registered display gardens of Minnesota on the American Hosta Society web page at:  
[http://www.hosta.org/Hosta\\_Gardens/Garden%20Directory/AHSGDMN.pdf](http://www.hosta.org/Hosta_Gardens/Garden%20Directory/AHSGDMN.pdf)

The "Hosta Glade" at the University of Minnesota Landscape Arboretum in Chanhassen, Minnesota (over 300 varieties).

To learn more about hosta, we cordially invite you to join the Minnesota Hosta Society.
